

The Prowler 10.8 redefines modern boating, providing space normally the reserve of much larger monohulls and delivers a stable, comfortable and efficient platform at both sea and anchor.

The perfect answer for coastal cruising, family weekends or bare boat charter operations, with it's twin cabin, twin ensuite layout, full size galley, saloon and comfortable cockpit. The twin 60hp Yamaha four stroke outboards provide a top speed over 20 knots with comfortable cruising from 5 -18 knots. Quiet and efficient with excellent fuel economy.

Easy to handle and simple to maintain, the Prowler 10.8 is a proven cruising solution.

"A ride so smooth it's hard to believe the ocean has waves."

Length of hull: 10.8m (35'5")
